How we started this wonderful firm

Xero Limited, We are one of the world's leading Asset Management firms with approximately \$2.2 trillion in Assets under management that creates lasting impact for our investors, teams, businesses and the communities in which we live. Xero Limited was Found in the year 2015, we pioneered a consulting-based approach to private Asset investing, partnering closely with management teams to offer the insights that challenge conventional thinking, build great businesses and improve operations.

Over time, we have organically expanded this approach across asset classes to build one of the strongest alternative asset platforms in the world. This has empowered us to deliver an enduring impact to a diverse group of investors including other individuals.

We power success across the financial world for individuals and institutions through unique insights, thinking and actions. Our investment professionals are well positioned to search for differentiated investment ideas, to uncover the story within the story, the hidden risks and the potential rewards.

Most importantly, the glue that holds all of this together is our culture. We believe it is the sustainable competitive advantage of our firm, helping us to attract, retain, develop, and motivate great people. The shared values of our culture include integrity, collegiality, learning, humility, a sense of humor, respect for diversity of thought, and an unyielding focus on our clients.
